

THOMAS COUNTY MUSEUM OF HISTORY

Traveling Trunk Program Questionnaire

The Museum of History is currently developing an addition to its Traveling Trunk Program. The purpose of the program is to provide teachers with materials to help them make history more engaging to their students. These trunks contain objects, photographs, documents, maps, letters, costumes, and other resources. They correlate to the Georgia Performance Standards and connect local history to topics already in the curriculum.

We appreciate your taking time to answer these questions. Your answers will be used to help ensure that the Travel Trunks we offer will fit your needs and be useful to you.
