

Garden Spot

**THOMASVILLE
GEORGIA**

Roses

Thomasville is the recognized "City of Roses," and a city of beautiful homes with a majority of its people "Home-Owners," who take much interest in their flower gardens. For twenty-eight consecutive years, the Thomasville Garden Club has staged, annually, a mammoth Rose Show. Several large nurseries are engaged in propagation of roses, camellias, azaleas and other flowering and ornamental shrubs. City streets and parks, like private gardens, are a "Flowerland" during blooming seasons. The annual Rose Show is always held on the last Friday in April.

TOWN AND THOMASVILLE — ESTABLISHED 1888.
